# maintenance

Starkstrom Maintenance is the only direct provider of specialist maintenance services for the following bundle of products regardless of brand:

**IPS & UPS**

**Clinical Lighting & Battery Backup System**

**Theatre Control Panel**

**Ultra Clean Canopy**

**Audio Visual Viewers**

**Clinical Pendants**

**PACS Viewers**

Starkstrom's specialist team of engineers have unrivalled knowledge of the complete product range.

Access to Starkstrom's 24 hour support 365 days a year telephone support service. For most products this service routes directly to qualified technical experts and not a call centre. One contract covering entire product range reduces admin costs and clinical down time.

## Starkstrom support packages

- Required service visits per year

### Gold solution

- 6 clock hours response to fault calls
- All parts, labour and travel included

### Silver solution

- 8 working hours response to fault calls
- All parts, labour and travel included

### Bronze solution

- 8 working hours response to fault calls
- All parts, labour and travel excluded

## why choose Starkstrom?
